

Reotemp Bimetal Thermometers

REOTEMP Instruments has been manufacturing Bimetal Thermometers in the U.S. for over 49 years! Not only are we dedicated to making Quality Products and Satisfied Customers, we also strive to provide our customers with powerful tools such as our Online Product Configurator, which make specifying bimetals (with and without a thermowell) quick and easy.

Customization Options Include:

HiVis Dials, Intermediate Stem Lengths, SS Tags, Colour Bands, Private Logo Dials, and more. Shatter proof laminated safety glass now available.
